PUBLIC PRESENTATION

OLD BUSINESS

- Township Municipal Complex: The Building Committee intervned five architecture firms and narrowed it down to two. The committee will pick one and take that recommendation to the Board of Commissioners at the July meeting. Once the firm is approved the Board is committing to keep moving forward with the land and building the complex.
- Comprehensive Plan: A meeting will be set up with Craig to start looking at getting a plan in place to move forward with some of the Comprehensive plan suggestions.
- Ward 4 vacancy and York Suburban Vacancy: We are still looking for these positions to be filled. Tim Ruth might attend a York Suburban meeting to see if they have any suggestions to fill the spots.
- Summer Parks:
- Website: The new website is currently being completed. Fall of 2016 is the goal to have this live to the residents. One suggestion is to set up an email list where people can sign up to get updates, reminders about Township events and information pertaining to public works.

NEW BUSINESS

- Fall Programs: A phone conference is set up with the school to discuss holding adult programs in the classrooms.
- Basketball Fees: We are looking into the fees for basketball and would like to have a more uniform fee schedule.
