## DECLARATION OF SNOW EMERGENCY

A Snow Emergency is in effect for Spring Garden Township beginning:

**Saturday, January 24, 2026 at 6:00 PM**

And extending through and ending on:

**Tuesday, January 27, 2026 at 12:00 Noon**

This action is for the safety of our residents and Public Works employees to conduct snow removal operations during the storm event which is forecasted for our area. Owners of vehicles on designated/signed Snow Emergency Routes are to relocate their vehicles to another location during the time the Snow Emergency is in effect. Snow Emergency Routes are listed on the Township Website.

Residents on streets that are not designated as Snow Emergency Routes are encouraged to relocate vehicles from public streets to assist in snow removal efforts. Many streets in the Township have restricted widths and the removal of parked cars along the curb-line will enable employees to more effectively conduct plowing operations.

Residents are reminded that the Public Works Department will prioritize snow plowing operations by establishing a travel lane in all Township streets before plowback operations are undertaken to widen street areas of accumulated snow. Early clearing of sidewalk areas and opening of driveways could result in residents being affected by later plowback operations. If a single pass has been made through your neighborhood, the Public Works employees will return to perform further plowback operations with the intent to clear areas from curb to curb where possible. To minimize inconvenience, residents are encouraged to consider the status of snow removal operations in your neighborhood before undertaking the removal of snow from your sidewalk and driveway.

Please be reminded that according to §270-4 the “depositing of snow and ice restricted” section of the Township code of ordinance, residents are to not deposit (place, put, etc.) snow or ice on or immediately next to a fire hydrant, on any sidewalk, roadway, or unloading or unloading area of a public transportation system (i.e. bus stop).
