Spring Garden Citizens,

**Subject: Ward One Spring Garden Planning Commission Member**

Spring Garden Township is seeking a citizen of Ward One interested in serving as the Ward One Planning Commission Member for the remainder of the 2025-2028 term beginning January of 2026. Members are automatically reappointed to four-year terms until resignation. The Spring Garden Township Planning Commission is a citizen-led advisory board that reviews and recommends actions on land use, development, zoning, and subdivision plans to the Township Board of Commissioners. Their primary role is to guide development, ensure orderly growth, protect quality of life, and promote sustainable development for the community.

The Planning Commission is a five (5) member board consisting of one member from each of the five (5) wards. Commission members meet monthly and serve four-year terms. Terms are staggered to ensure that the terms of no more than two (2) members will expire in the same year. Planning Commission meeting attendance is essential to ensure a quorum (minimum actionable attendance).

Interested parties shall submit a letter of interest that includes a brief bio and reasons why they want to serve as a Planning Commission member. Submissions can be sent to the Township by email at [general@sgtwp.org](mailto:general@sgtwp.org). Following the review of the submissions, the Board of Commissioners will appoint the Ward One Planning Commission member at a future Board of Commissioners Business Meeting.

Thank you for your interest,

Luther C Wike Jr  
Township Manager
